Are you a Veteran of the United States Armed Forces and in need of accessible transportation? Even if your disability was non-service connected you may be eligible for adaptive equipment such as a wheelchair accessible van.

VMI has a National Select Dealer Network that can answer any questions you have regarding Veteran's Assistance programs and can provide the following services:

- Connection with local VA Prosthetics Offices in your area
- One stop, seamless paperwork processing with the VA
- Large vehicle selection- the right van for your needs at the right price!
- 24-hour local emergency service
- Assistance in contacting the local PVA for advocacy on your behalf

Call us to learn more about Operation Independence.

For every Facebook 'like' VMI will donate \$1 to the PVA, up to \$10,000!

VMI supports Paralyzed Veterans of America's Mission: ABLE campaign to provide care, benefits and jobs for paralyzed veterans.
